## *Margarita*

The Margarita is a refreshing, tangy cocktail that combines tequila, Triple Sec and lime juice.

To give it an iCatCare pink we suggest adding strawberry puree, which also adds extra sweetness.

This delicious beverage will have all your guests purring!

### Moggies and Margaritas

*Margarita is the Spanish word meaning 'daisy'. The spanish word for cat is 'gato'. And the Spanish for 'pass me a cocktail' is 'pasame un cóctel!'*
